FLOWER ARRANGERS NEEDED If you have been inspired by the recent flower displays and can arrange a bunch of flowers in a vase, why not take that skill to a new level and do it on a larger scale. The flower arranging team are looking for people to help out at the 125th anniversary celebrations with some of the displays. If you want to give it go, speak to Sue Overell or any of the team for more details

CAR POOL VOLUNTEERS NEEDED With the winter months coming upon us and to give those in need of transportation an opportunity of getting to church, we are going to start a car pool for the Sunday 10am service. If you are in need of transport, or if you would like to volunteer your services as a driver, would you please contact Steve Wiseman on 07557 912710 or email stevewiseman2211@hotmail.co.uk

WORKING TOGETHER – ALL HANDS TO THE PUMP!

On Saturday 31st October between 5pm and 6pm we will be organising a new venture for St James – a Light Party! This will be for young people and families to enjoy a time together based on the true meaning of All Hallows Eve. Now maybe you'd love to come and join in the fun or perhaps parties

are not your cup of tea but together we can all help in one small way or another to make this particular party a success.

There will soon appear a list of tasks that need to be undertaken and if you are able to offer your support then please do sign up in at least one of the slots.

For example we will be looking for help in the following areas:

- loans of fairy lights
- loans of disco lights
- offer to prepare for the party
- shopping for food and drink items – a few small donations add up to a lot!
- making some small cakes and jellies (resources provided)
- cutting out some craft – can be done in your own time
- setting up a craft or activity – you don't necessarily have to stay
- supervising a craft on the day – possible activities may include lantern making; face and nail painting; pumpkin carving.
- supervising an activity on the day – possible activities will include apple bobbing; doughnut stringing; pumpkin hoopla,
- welcoming people
- clearing up afterwards!

These tasks are always more daunting if you think you have to commit to everything, but by sharing the load we can lighten it!
