### **ARE EWE A BIT OF A KNIT(TER)?**

We are looking for some knitters to get out their needles to take part in an exciting project with St James Primary School to create a 'Knitivity'.

Although all of the details are still to be finalised the basics are that a number of sheep will be knitted and created, together with some of the pupils at school, and then distributed around West End shops, etc for people to try and find in the weeks before Christmas.

If you think this is something you would like to be part of then let Linda know (contact details in the box at the end) and she will add your name to the list. If you are worried about how you might get to the school then we can look at transport options.
