## **Bitesize information: What goes on around us?**

### ***Our collaboration with St John's Hedge End and St Luke's Hedge End (our Cluster churches)***

Our three churches have started to think about our relationships and identify key areas where we could share ministry and resources. These include Youth Ministry, Schools Work, Pastoral Work, Discipleship Courses and Communication.

Concerns and lost opportunities were also recognised, for example losing young people to another church where a particular ministry is offered. The Cluster has recognised that it needs time to develop and mature together to bring about effective collaborative ministry.
