

Picture Reflection – Epiphany

Go and Search - Matthew 2:1-12

Spend a few minutes with this image... what do you see?

The Magi in the Epiphany story followed a road with 'ups and downs' that was less clearly defined than the path shown in this image...spend a few minutes reflecting on their encounter with Herod on the way and following that when they find the Holy Family in Bethlehem...

- As we start a new year...how well does this image represent our lives ahead in 2021?
- What are we searching for in this coming year? Who will we turn to for guidance along the way?
- How does the idea of seeking direction from God make you feel?

A prayer for the new year:

Lord, please be with us as we leave behind all that is past and walk with you into the future. May we trust in our God of new beginnings and worship our God of fresh hope. Amen
