For the technologically savvy, the best way to find out what's going on at St James' is to look at our website and Facebook page. We also have printed pew sheets which you can pick up at the back of church throughout the week.

Very occasionally, we would like to write to you more directly. To do so, UK law on data protection says that we must have your explicit consent. Please fill in the contact details you want us to use to communicate with you:

Name: _____

Address: _____

Email Address: _____

Phone Number: _____

By signing this form you are confirming that you are consenting to the Parochial Church Council of St James' Church, West End, holding and processing your personal data for the following purposes (please tick the boxes where you grant consent):

I consent to the church contacting me by post phone or email.

To keep me informed about news, events, activities and services at St James'.

To share my contact details with the Diocese of Winchester so they can keep me informed about news, events, activities and services that will be occurring in the diocese and which are directly relevant to the role I am undertaking.

Signed: _____ Dated: _____

You can grant consent to all the purposes; one of the purposes or none of the purposes. Where you do not grant consent we will not be able to use your personal data (so for example we may not be able to let you know about forthcoming services and events), except in certain limited situations, such as where required to do so by law or to protect members of the public from serious harm. You can find out more about how we use your data from our "Privacy Notice" which is available from our website or from the Parish Administrator.

You can withdraw or change your consent at any time by contacting the Parish Administrator at St James' Church, Church Hill, West End, Southampton SO30 3AT; email: stjameswe@gmail.com. Please note that all processing of your personal data will cease once you have withdrawn consent, other than where this is required by law, but this will not affect any personal data that has already been processed prior to this point.
