

February Activity Morning

Saturday 5th February 10.00 to 11.30

Our activity morning this month is based on God' love for us and Saint Valentine.

We can't keep Gods love to ourselves, we must share it, and we share it by serving others.

When we really understand how much God loves us, his love overflows out of our hearts and spills into others.

We can show Gods love to others by showing kindness to them.

The Feast of St Valentine is celebrated on the 14th February, St Valentine was a 3rd century Roman saint who is recognised as a symbol of Christian faith.

The first letter of John says 'Dear friends let us continue to love one another, for love comes from God,'

To explore our story we are going to make crowns decorated with hearts, you could be St Valentine, or a saint of kindness, or joy, or hope.

To think about sharing Gods love by making favour bags.

We will decorate bags and fill them with goodies to represent sharing that love with others.

To book your place please contact Jan at j.barrett77@btinternet.com or on 07519759269

We look forward to seeing you.
